Term 1. Week 10.

Admin Corner - te iwi tahi tatou - we are one family

Matt Stanley

Thank You

Thank you to everyone for your patience and understanding last week with early finishes for the Learning Conversations and Paid Union Meetings. We really appreciate your support with this, we would not have had these events in the same week if we could've helped it.

We hope you all enjoyed some fun family time over the Easter break.

Miniball - Year 3/4 & Year 5/6

We have had some requests to register a Year 3/4 team for term 2, so if you are interested please see the details below and complete the year 3/4 Google form.

In term 2 we would like to enter a Year 5/6 and Year 3/4 miniball team in the Nairnville Recreation Centre Schools League. The Year 5/6 league runs for 9 weeks from 7th May to the 2nd July. The games will run on a Tuesday night at Nairnville Rec Centre, Khandallah.

The Year 3/4 league also runs for 9 weeks from 6th May to the 1st July and the games will be played on a Monday afternoon. All games will take place between 3.20pm and 6.50pm and will differ each week.

The school registers the team but then it is a parent run team, we will need a coach and manager for each team and it is up to the parents to find out the times of the games and get your child to the venue. There will also be a cost to play, this will be determined once we see how many players we have. If your child would like to join a team, please complete the Google form attached.

Year 5/6 Form <https://forms.gle/XjvdMAX5zF8MiceR9>

Year 3/4 Form <https://forms.gle/AsfRGyTDXqm35GKa7>

The Google Forms will close by Friday 5th April. Any questions - sarahb@churtonpark.school.nz Sarah Brown

Sports Uniforms

Have you forgotten something?

We desperately need all uniforms returned to school, this includes netball, touch rugby and Northern Zone sports.

Netball season is fast approaching and currently we do not have enough uniforms to cover all teams, please look through ward-robos, under beds, laundry bins and return any school t shirts you can find. We don't care how long it's been at home .

Uniforms can be returned to the box in the hall entrance.

Yummy Stickers

We are once again involved in the collection of Yummy Stickers either off individual fruit items or the large bags of apples. Each class has a collection sheet which students can attach their stickers to. If any families would like a sheet for home use just email mareeg@churtonpark.school.nz and we will get one to you. In Term 4 we combine all our stickers and are able to trade this in for sports gear which we can all use.

Our Values

At CPS we believe and practise the following values daily at school

Our Road Patrollers need You!

Our volunteer school patrollers stand at the school crossings twice a day without fail, in rain, wind and shine, to help keep the road that passes our school safe for their school mates. We are looking for volunteers to help supervise our road patrollers.

We currently need help on Tuesday afternoons.

Please contact
mareeg@churtonpark.school.nz
for more information or to volunteer.

Cross Country & Run-A-Thon

Classes have begun their cross country training, which will be held on Tuesday 30th April. Students are reminded to wear clothing that is suitable for running - crocs, jandals, oodles & jeans make running very difficult.

The cross country is a great opportunity to raise funds for the school. The Home & School Association will be holding a Run-A-Thon to coincide with the cross country.

All children will bring home a sponsorship form before the school holidays. Children are asked to seek sponsorship from grandparents, relatives or family friends.

Can you help?

We desperately need parent help on the day to marshal the course.

This would involve standing on a part of the course and ensuring the children follow the correct route and stay safe while running.

A full briefing will be given on the day. If you, an older sibling, aunt, uncle or grandparent could help out from 9.15am - 12pm on the day please contact Sarah, thank you.

Greenies

Our Greenie leaders have had their first meeting and are keen to get active. They are wanting to collect the following resources for some projects they are keen to complete. If you have any of the following sitting around at home please send along to school and leave in the hall office.

- Plastic bottle tops of all sizes and colours for an art activity
- Old hub caps for another art activity
- Any seeds not currently needed at home
- Plastic coke/lemonade bottles of all sizes
- Any left over paint in bright colours
- Any clothing items that maybe suitable for making scarecrows
- Any wood offcuts for making Weta Hotels

We will gladly take these off your hands.

Burbank Crescent Park Refresh

Burbank Crescent play area is due for a refresh, and we would like to gather the local communities feedback on the draft design!

This engagement will give us an idea of the needs of the Churton Park community. After submissions close, the Play team will consider your submissions and use them to finalise the design for the renewed Burbank Crescent playspace.

Burbank Crescent Play Area Renewal | Let's Talk | Wellington City Council

Key features of the proposed design include:

Mainly natural materials for the equipment, to keep within the reserve setting of this play area.

A main module that has various climbing opportunities such as nets and monkey bars, alongside slides that are incorporated into the structure.

A swing set, with basket swing for multiple users and an infant and belt seat swing as well.

A small carousel and bee rocker.

A picnic table and rubbish bin, while refurbishing the existing bench seats.

New safety surfacing with rubber tiles under the more accessible equipment and compliant bark under the main module. A new path with connect the renewal site to the existing path.

To give feedback on the Burbank Crescent play area draft design, please send your thoughts to BUS: Playground Upgrades playgrounds@wcc.govt.nz

Submissions close at 5pm on Monday 8 April.

More information:

In the 2008 Northern Reserves Management Plan and 2017 Play Spaces Policy, Burbank Crescent play area was meant to be decommissioned when John Walker Play Area was built. However, this was never actioned.

Upon further investigation, approximately 142 homes would not be within walking distance of a playground if the Burbank Crescent playground was to be removed. Based on this information, it was decided that the play space should be kept and given a refresh.

Burbank Crescent play area is categorised as a neighbourhood play space, which are handy for a quick play. It provides a playground for junior-age tamariki within a 600-metre walking distance, as well as other potential play opportunities.

We're renewing play spaces around the city to make them an even better place to play. You can read more about Wellington City Council's strategic vision and planning for play areas in Wellington in the [Play Spaces Policy \(2017\)\(External link\)](#).
