## Strategic Plan

During 2022, the Board developed a new Strategic Plan from information and data collected from the community, students and staff over the last year. This was revisited and updated during 2023 and sets the direction for the school for the next 2 years. A more detailed version of the plan will be uploaded to the school website if you wish to know more. One of the pleasing things we found from our consultation was how strong the school vision and values were. More information will come out as the year progresses.

## KiVa

A reminder that we are a KiVa School. KiVa is a research-based tool to prevent and reduce bullying problems. KiVa has been proven to make a difference and focuses on teaching our tamariki respect and acceptance of all students, their culture and identity. With KiVa's whole school approach, the benefits extend beyond the impacted students to the entire school and the wider community. Students feel more empowered with skills and confidence to address bullying behaviours and the programme promotes respect and a positive peer culture.

## Is your child turning 5 this year?

To help with our planning for the rest of this year & next year please let the school office know if you:

- Live in zone and have a new entrant child who turns 5 in 2024 or 2025 and are yet to pre-enrol with the school office
- If you live in zone but have a child attending another school but intend to enrol at Churton Park School in 2024 or 2025.
- If you have a friend, family member or neighbour that does not receive these newsletters but may fall into one of the above categories, please ask them to contact the school office as soon as possible by either dropping in, by phone 4784282, email [office@churtonpark.school.nz](mailto:office@churtonpark.school.nz) with their name, date of birth and your address or by completing an online enrolment form on our website [www.churtonpark.school.nz](http://www.churtonpark.school.nz).

This information is crucial as we plan for the future.

## Sports Uniforms

### Have you forgotten something?

We desperately need all uniforms returned to school, this includes netball, touch rugby and Northern Zone sports.

Netball season is fast approaching and currently we do not have enough uniforms to cover all teams, please look through wardrobes, under beds, laundry bins and return any school t-shirts you can find. We don't care how long it's been at home.

Uniforms can be returned to the box in the hall entrance.

## Our Road Patrollers need You!

Our volunteer school patrollers stand at the school crossings twice a day without fail, in rain, wind and shine, to help keep the road that passes our school safe for their school mates. We are looking for volunteers to help supervise our road patrollers. We currently need help on Tuesday afternoons.

Please contact [mareeg@churtonpark.school.nz](mailto:mareeg@churtonpark.school.nz) for more information or to volunteer.

---

## Lost Property

---

### Is your child missing some clothing?

We currently have an extremely large pile of misplaced clothing in our Lost Property box in the Hall foyer. If your child is missing any clothing items, please have them check the box before the end of the term. We are able to reunite named clothing to the right child. Any items left at the end of the term will be donated to a local charity shop.

---

## Cross Country & Run-A-Thon

---

Classes have begun their cross country training, which will be held on Tuesday 30th April. Students are reminded to wear clothing that is suitable for running - crocs, jandals, oodles & jeans make running very difficult.

The cross country is a great opportunity to raise funds for the school. The Home & School Association will be holding a Run-A-Thon to coincide with the cross country.

The children have all taken home a sponsorship form. Children are asked to seek sponsorship from grandparents, relatives or family friends.

---

## Can You Help Marshal Our Cross Country?

---

We desperately need parent help on the Cross Country day, Tuesday 30th April, to marshal the course.

This would involve standing on a part of the course and ensuring the children follow the correct route and stay safe while running.

A full briefing will be given on the day. If you, an older sibling, aunt, uncle or grandparent could help out from 9.15am - 12pm on the day please contact Sarah, thank you.

## History Makers, 'The Mighty Cats' - Hear them ROAR!!!!

### Touch Rugby Success:

CPS entered a mixed touch rugby team 'The Cats' for the years 5/6 Total Touch competition in term 1. On debut the team achieved some outstanding results. Dubbed 'The Mighty Cats' a team which had four team members who had played touch previously and four amazing team members who had never played touch rugby before (and had never held a rugby ball either). To top it off they won every game and made it to the Mixed Grand Final and made history by being a first time mixed grade team on debut to make the final.

But as fate would have it, they came up short against a full team of actual rugby players, and ended up being the runners up. The moral of the story is anyone can play touch, it's fun, it's fast, and experience doesn't matter.
