Exciting Announcement for Our Ākonga Wellbeing

We're excited to announce that we have a trainee counsellor, Tara Douglas, coming to our school one day a week, on Fridays. This will further enhance the support we offer our students here at Churton Park School.

This is a fantastic opportunity for our students, offering valuable emotional support. Tara is available to all students who need someone to talk to. She will be available to listen, offer guidance, and help students navigate any challenges

they may be facing.

Please note that in line with our policy and procedures, parental consent is required before Tara can have individual sessions with any student.

If you feel your child would benefit from visiting Tara, please provide your consent by completing the consent form that can be found on our school website. We are thrilled to offer this additional support and believe it will be a great asset to our students' well-being.

Home & School Association Update

The past year has been a positive and productive one for the Home and School Association. We successfully built a strong, collaborative team that works exceptionally well together. Each event we hosted was not only well-received by the school community but also a joy to plan and execute.

We deeply appreciate the ongoing support from the school leadership, staff, and families, which played a key role in the success of our efforts. We always welcome new members—whether you can offer

skills, ideas, or just a bit of your time, every contribution helps and is truly appreciated!

Looking ahead, we are excited to continue creating engaging and meaningful opportunities that bring our school community together, while also supporting important initiatives through our fundraising efforts.

Thank you for a great year!

Vicki and Anneri (co-chairs of the Home and School Association)

Please remember to advise us of Absences

Please keep us in the loop

This year we must report any absences to the Ministry of Education daily.

This means that if you do not tell us why your child is away they will be marked as truant.

If your child is going to be away from school for any reason - illness, appointments, travel, funerals etc - it is very important that you let the office know, so we can account for all our students.

The office will let the classroom teacher know your child is absent. Often teachers can be away sick or on a course and do not have access to

their emails.

If you receive a text from the school looking for your child, please respond. You are able to report an absence in several ways:

Is your child turning 5 in 2025 or 2026 ?

Help us to plan ahead

To help with our planning for the rest of this year and next year please let the school office know if the following things apply to you:

- Live In-Zone and have a new entrant child who turns 5 in 2025 or 2026 and you are yet to pre-enrol with the school office
- If you live In-Zone but have a child attending another school but intend to enrol at Churton Park School in 2025 or 2026
- If you live Out-of-Zone with a child enrolled at Churton Park School and have a child turning 5 in 2025 or 2026
- If you have a friend, family member or neighbour that does not receive these news

letters but may fall into one of the above categories, please ask them to contact the school as soon as possible by either dropping in to the office, by phone 04 478 4282, email office@churtonpark.school.nz with their child's name, date of birth and your address or by completing an online enrolment form on our website www.churtonpark.school.nz This information is crucial as we plan for the future.

Safety is a choice you make

Our Safety Rules:

- The parking space directly outside school on Churton Drive is a Drop Off/ Pick Up zone. **Drivers may not leave their vehicle AT ALL and may only stay in this spot 2 minutes.** There is a 5 minute only parking zone on the opposite side of the road. These zones operate from 8am -9am & 2.30 - 3.30pm every school day. If you wish to come into school with your child you must park elsewhere. The free flow of traffic through this area allows parents to bring their child/ren to the gate.
- U turns near the school entrance are dangerous for students using the footpath. Please drive further up the street to turn around.
- Parking on yellow lines or at the bottom of the drive for a quick drop off inhibits the view of the road patrollers. Please find a safe place away from the school driveway to pull in.
- Make sure you cross your children on the pedestrian crossing, not down at the corner or close to your car. Also, please ensure that you as an adult also use the crossing after you have dropped your child at their class. This sets the right example to all our children.
- Please use the footpath alongside the main entryway driveway when you come into the school from Churton Drive.
- Please do not park over our neighbours driveways on Churton Drive, Cranwell Street and Dormar Place.
- We ask that parents do not drive up the drive in the mornings to drop children off for the before school care programme – it becomes quite a traffic jam when our school staff are also arriving in their vehicles.

Scooter Rules at CPS

To keep everyone safe and having fun, here are our scooter rules:

1. **Helmet**- You **must** wear your helmet every single time you hop on your scooter.
2. **Hall**- Scooters are only for riding **around the outside of the hall**.
3. **Scooters Only**- Bikes need to stay on the bike racks during school time.
4. **Walk Your Scooter**- When you're taking your scooter to or from the scooter stands, please **walk** it to the hall.
5. **Scooter Stands**- Keep your scooter in the **scooter stands**. Let's keep them tidy!
6. **Your Scooter**- Only ride your scooter, they are not for sharing at school.
