The Board of Trustees invites applications from parents who wish to enrol "Out of Zone" students at Churton Park School. Churton Park School is governed by an enrolment scheme, details of which are available on the school website.

The Board of Trustees have approved 30 Out of Zone vacancies in 2026. Applications are made on the official enrolment form, which is available at the school office or online enrolment on the school website. The deadline for receipt of applications for out of zone places is Wednesday 8th October 2025 at 3pm. If a ballot for out of zone places is required, it will be held on Friday 10th October 2025. Parents will be informed of the outcome of the ballot within three working days of the ballot being held.

If you live in the home zone and have not yet signalled your intention to enrol your child, please contact the school immediately to assist us to plan appropriately.

Please contact the school office, phone 04 4784282 for details regarding the application process or email: [office@churtonpark.school.nz](mailto:office@churtonpark.school.nz)

The Board of Trustees have advised there will be 30 Out Of Zone places available to start 2026, across the school.

If you have a child already at school and have another child turning 5 in 2026, please make sure you have completed the online enrolment form so we are aware of your child.

Also, if you have neighbours with children turning 5 next year or wishing to change schools, please make them aware that we are now taking applications and have them complete an online enrolment form by Wednesday 8th October 2025 at 3pm.

## Urgently Seeking Road Patrol Volunteers for Wednesday Afternoons!

We're putting out an urgent call for parents to help with road patrol on Wednesday afternoons. Our dedicated team of volunteers is currently short-staffed, and we need your support to ensure the safety of our students crossing the road after school.

The road patrol plays a critical role in keeping our children safe. Without enough adult supervision, we run the risk of not being able to operate the patrol effectively, which puts our ākonga in a vulnerable position.

If you have some time to spare on Wednesdays, your help would make a huge difference. You'll be trained on everything you need to know, and the commitment is only for a short time from 2.50pm - 3.10pm.

Please consider lending a hand. Your support is vital for keeping our school community safe. If you can help, please contact Liz McLean as soon as possible.

Thank you!

## Keeping Our Streets Safe and Accessible

We've heard from many residents in Cranwell Street and Dormar Place about a recurring issue that's causing significant frustration: illegal and inconsiderate parking. We know that school drop-off and pick-up times can be hectic, but we're seeing an increasing number of parents parking on yellow lines or blocking neighbors' driveways.

This isn't just an inconvenience;

it's a safety hazard. Parking on yellow lines obstructs the flow of traffic, making it dangerous for children and other pedestrians. Furthermore, when driveways are blocked, it can prevent residents from leaving their homes for essential appointments, work, or emergencies. This can be incredibly stressful and frustrating for your neighbours.

Please take a moment to consider the impact of your

parking choices. We ask for your cooperation in keeping our community safe and accessible for everyone. Please make sure you are not parking on yellow lines or blocking driveways. By parking responsibly, you'll help ensure a smooth and safe experience for all of us.

Thank you for your understanding and cooperation.

If your child has the old style sunhat they can continue to wear them but if your child still needs a school sunhat, please make sure you have purchased one as soon as possible. ## Please remember to advise us of Absences

### Please keep us in the loop

This year we must report any absences to the Ministry of Education daily.

This means that if you do not tell us why your child is away they will be marked as truant.

If your child is going to be away from school for any reason - illness, appointments, travel, funerals etc - it is very important that you let the office know, so we can account for all our students.

The office will let the classroom teacher know your child is absent. Often teachers can be away sick or on

a course and do not have access to their emails.

If you receive a text from the school looking for your child, please respond. You are able to report an absence in several ways:

### Ways to report an Absence

## Is your child turning 5 in 2025, 2026 or 2027 ?

### Help us to plan ahead

To help with our planning for the rest of this year and next year please let the school office know if the following things apply to you:

- If you live In-Zone but have a child attending another school but intend to enrol at Churton Park School in 2025 or 2026
- If you live Out-of-Zone with a child enrolled at Churton Park School and have a child turning 5 in 2026 or 2027
- If you have a friend, family member or neighbour that does not receive these newsletters but may fall into

one of the above categories, please ask them to contact the school as soon as possible by either dropping in to the office, by phone 04 478 4282, email [office@churtonpark.school.nz](mailto:office@churtonpark.school.nz) with their child's name, date of birth and your address or by completing an online enrolment form on our website [www.churtonpark.school.nz](http://www.churtonpark.school.nz) This information is crucial as we plan for the future.
