School Structure & Staff 2026

Our Teaching Staff

Yr 0/1 hub

Hub Leader: Lynsey Burvill

In Kenepuru Stream

- Fiona Boag, Lynsey Burvill, and Christy Robinson

Yr 2/3 hub

Hub leader: Sharon Gibson

Yr 2

In Ponga Grove

- Kelly Shakes (Mon -Thurs), Megan Ferguson (Fri) and Georgia Avery

Yr 3

In Lower Tōtara Ridge

- Sharon Gibson, Carla Macleod and Maddie Boyes

Yr 4 - 6 hub

Hub leader: Carina Tiffen

Yr 4/5

In Pukehuia

Rawhiti - Rm 14 & 15

- Carina Tiffen & Madison Bole

Uru - Rm 16 & 17

- Nicki Stempa and Aoife Dowdall

Yr 6

In Upper Tōtara Ridge

- Nicola Donovan and Merryl Scott

Our School Structure

Next year, we have moved some of the year groups to different buildings to optimally cater for the varying sizes of those cohorts. Additionally, the formation of a composite Year 4/5 cohort is a deliberate decision to achieve the best possible student-to-teacher ratio, ensuring manageable class sizes across the school. It is important

to know that these structural changes have absolutely no negative influence on the quality of teaching and learning. Our teachers are highly skilled at ensuring the individual needs of all students are effectively catered for, regardless of the class structure.

Class Visits

All our ākonga will be visiting their new class and meeting their teacher on Tuesday 9th December.

Our 2026 stationery lists are available now on our website

When your child visits their new class they will receive an envelope containing their stationery list for 2026 as well as a form to complete and return next year at our Whānau Morning on Thursday 29th January.

Not Returning for 2026?

If your child is **not returning** to Churton Park School in 2026 and they are **not a Year 6 student**, could you please let the office know as soon as possible. Please email office@churtonpark.school.nz

End of Year Reports

This year's reports will be via Hero. They will be shared with whānau on 15 December through the Hero app. As these will look slightly different than past years, the below information explains what you will see in your child's report.

Attendance

A visual with the information about your child's attendance for the year.

- Reading, Writing and Mathematics

For each of these curriculum areas there will be information about progress and what your child can do.

Progress

There will be a statement about how your child is achieving relative to the End of their Year Level Expectations.

Achievement

There will be 3 bullet points about what your child can do in each of these curriculum areas

- General comment

This is a summary written by the teacher to provide a holistic view of your child's progress over the year. Comments about Physical Education and Health, Inquiry (Science, Social Sciences, Technology) and the Arts may also be included in this section

Statement from Ministry of Education/Minister to Support Schools with Reporting to Parents

As part of our focus on lifting student achievement we have introduced new, knowledge-rich and internationally-comparable curriculum this year for Maths in Years 0-8 and English in Years 0-6, and Te Reo Rangatira Years 0-6 and Pāngarau Years 0-8 wāhanga ako.

This means we are currently changing from the old to the new curriculum. We want to acknowledge that schools and kura will only have been using the new curricula from the start of 2025, which includes new teaching and assessment methods and content.

Because of this you could see a change in your child's progress or achievement compared to previous years which may be the result of changes in the curriculum expectations for your child's year level. If you have concerns or questions about your child's achievement, we strongly suggest you talk with your child's teacher or kaiako. They will also have used their own observations, classroom tasks and other tests to report on the progress your child is making.

Deprovisioning Chromebooks 2025

Year 6 Students

Every year when our Year 6 students move on to other schools we have a process to remove their Chromebooks from our school management system, so they are able to use their device at their new school - this is called Deprovisioning. Every Year 6 student with their own Chromebook will need to complete removing their work and any emails they have by following the instructions in this link. <https://www.churtonpark.school.nz/our-school/byod/httpstakeout-google-com/> Please make sure this process has been completed by Wednesday 31st December so our IT team can

remove the Chromebooks from our system and close down the email accounts.

Year 4 & 5 Students Leaving CPS

If you are a Year 4 or Year 5 student and you are leaving Churton Park School at the end of the year you will also need to complete this process but you will also need to send a screenshot of your device serial number so we can remove the device from the system. If you do not send us your serial number this will cause a delay in having your device set-up at your new school.

Chromebooks 2026

All Year 4 2026 students (currently Year 3 in 2025) are able to bring their own Chromebook for use in the classroom next year. Agreement forms and Email forms will be emailed to all of these students shortly and paper copies will also be sent home with the children. **Please do not send these forms back to school this year,** instead please return them when

you drop your child's Chromebook off for set up in 2026.

Copies of the forms can be found on our website.

If you are purchasing a Chromebook for your child the **drop-off dates for set-up are Wednesday 28th & Thursday 29th January 9am - 12 noon.**

At the moment there are a lot of sales for Chromebooks. If you are looking at purchasing a Chromebook we do not have a preference for any brand. They can be any Chromebook (not laptop, e.g. Macbook or Windows) with a good battery life and a decent sized screen. Noel Leeming have sent through this [flyer](#) that has their Chromebook bundles.

Whānau Morning 2026

We will be hosting a Whānau Morning on Thursday 29th January 2026, 9am - 12 noon.

This is an opportunity for you to drop into your child's classroom and meet

the teaching team, drop off your child's stationery ready for the first day of school then meet up with other families for a catch-up and play in the playground.

New World Club Card Partnership

An easy way to help us raise funds

Have you registered your New World Club Card yet? Fundraise for Churton Park School simply by linking your New World Club Card to the school and shopping at Churton Park New World. For every \$100 you spend \$1 will be donated to Churton Park School. By linking your Club Card there is

no impact on your card benefits. Simply complete this form <https://forms.gle/BNm175pNYmsJKd-Dq7> and continue shopping.

School Library Books

The end of year is fast approaching; we need your help to search all nooks and crannies in the classroom and at home for any school library books. Please return them to the library by Monday 8th December 2025. We need to stocktake the library collections and be ready for our ākonga to borrow up to ten books if they wish to read over the summer break. Remember to return the Summer Reading permission slip to the

library to let us know you are happy for your child to get books out to read over the summer holiday break and return them at the beginning of the new school year 2026.

We will start issuing the summer reading on 9th December to 12th December 2025.

When the pohutukawa, New Zealand's christmas tree blooms, it is time to read for pleasure!

End of Term Reminders

- Please make sure you have returned all library books and readers to school by Monday 8th December
- Please make sure you have returned your signed Summer Reading permission form to the school library by Monday 8th December
- School reports available to view & download in the Hero app Monday 15th December
- **The term ends on Wednesday 17th December, at 12.30pm**
- Chromebook & Email agreement forms should be returned to school next year when Year 4 students drop off their Chromebooks for set-up.
- Check the Lost Property for any clothing items that your child may have misplaced

Seeking Road Patrol Volunteers for 2026!

We're putting out an urgent call for parents to help with road patrol on Wednesday afternoons. Our dedicated team of volunteers is currently short-staffed, and we need your support to ensure the safety of our students crossing the road after school. We are also starting to look for volunteers for next year to help our road patrollers.

The road patrol plays a critical role in keeping our children safe. Without enough adult supervision, we run the risk of not being able to operate the patrol effectively, which puts our ākonga in a vulnerable position.

If you have some time to spare your help would make a huge difference. You'll be trained on everything you need to know, and the commitment is only for a short time from 2.50pm - 3.10pm.

Please consider lending a hand. Your support is vital for keeping our school community safe. If you can help, please contact Liz McLean as soon as possible.

Thank you!

Contact Liz

Keeping Our Streets Safe and Accessible

The area outside the school on Churton Drive is a Drop-off and Pick-up zone only from 8am - 9am and 2.30pm - 3.30pm. This means you are not allowed to park and leave your vehicle during this time. If the zone is full please do not wait in the middle of the road with your indicator on as this blocks other traffic and causes more frustration. Please drive farther up the road and park or go around the block and try again. We all want to keep our streets safe for everyone.

We've heard from many residents in Cranwell Street and Dormar Place about a recurring issue that's causing significant frustration: illegal and inconsiderate parking. We know that school drop-off and pick-up times can be hectic, but we're seeing an increasing number of parents parking on yellow lines or blocking neighbors' driveways.

This isn't just an inconvenience;

it's a safety hazard. Parking on yellow lines obstructs the flow of traffic, making it dangerous for children and other pedestrians. Furthermore, when driveways are blocked, it can prevent residents from leaving their homes for essential appointments, work, or emergencies. This can be incredibly stressful and frustrating for your neighbours.

Please take a moment to consider the impact of your

parking choices. We ask for your cooperation in keeping our community safe and accessible for everyone. Please make sure you are not parking on yellow lines or blocking driveways. By parking responsibly, you'll help ensure a smooth and safe experience for all of us.

Thank you for your understanding and cooperation.

Sunhats, T-Shirts & Hoodies

As part of our Sunsmart policy all children at Churton Park School are required to wear a sunhat when they are outside during Terms 1 & 4.

Order your items now

Sunhats can be purchased from NZ Uniforms either online or at their Porirua shop. Please make sure you have a school sunhat for your child. If your child has the old style sunhat they can continue to wear them but if your child still needs a school sunhat, please make sure you have purchased one as soon as possible. Sunhats, T-shirts & Hoodies can be purchased using this link <https://churtonpark.nzuniforms.com/catalog/uniform-1107113.htm>

Order Here

Please remember to advise us of Absences

Please keep us in the loop

This year we must report any absences to the Ministry of Education daily.

This means that if you do not tell us why your child is away they will be marked as truant.

If your child is going to be away from school for any reason - illness, appointments, travel, funerals etc - it is very important that you let the office know, so we can account for all our students.

The office will let the classroom teacher know your child is absent. Often teachers can be away sick or on

a course and do not have access to their emails.

If you receive a text from the school looking for your child, please respond. You are able to report an absence in several ways:

Ways to report an Absence

Call - 04 4784282 ext 1

Text - 0274 295 477

Eml - absence@churtonpark.school.nz

Web - www.churtonpark.school.nz

Hero - download the app

Is your child turning 5 in 2026 or 2027?

Help us to plan ahead

To help with our planning for the rest of this year and next year please let the school office know if the following things apply to you:

- Live In-Zone and have a new entrant child who turns 5 in 2026 and you are yet to pre-enrol with the school office
- If you live In-Zone but have a child attending another school but intend to enrol at Churton Park School in 2025 or 2026
- If you live Out-of-Zone with a child enrolled at Churton Park School and have a child turning 5 in 2026 or 2027
- If you have a friend, family member or neighbour that does not receive these newsletters but may fall into one of the above categories,

please ask them to contact the school as soon as possible by either dropping in to the office, by phone 04 478 4282, email office@churtonpark.school.nz with their child's name, date of birth and your address or by completing an online enrolment form on our website www.churtonpark.school.nz This information is crucial as we plan for the future.

Music Centre – Newlands Intermediate School

The music centre offers tuition to primary aged children to help develop their musical education outside school hours. Classes are held on weekdays during the school term and at the discretion of the tutor are taught in groups or on a one to one basis. An end of year concert is held and these evenings are an opportunity for students to entertain family and friends with their progress during the year.

Tuition is offered in violin, piano, guitar, flute and ukulele

Violins are available for hire.

For further information please ring Kaye 4788195 at the school.

The enrolment form is available on our [website](#). Enrolments close on Wednesday 11 February 2026

New Zealand Traveller Declaration

Going overseas for the school holidays? Everyone travelling into New Zealand must complete a New Zealand Traveller Declaration, including returning New Zealand passport holders.

Its FREE and you can do it on the [online form](#) or on the [NZTD app](#).

If you're travelling as a family or group and completing multiple declarations, the [NZTD app](#) allows you to copy your travel details into another declaration, making it easier to complete multiple declarations for the same journey. The submitted declarations are then all easy to see within the app.

The New Zealand Traveller Declaration collects travel, customs, immigration and biosecurity information and aims to improve the safety and security of New Zealand. It replaces the paper card you used to fill out on the plane.

To make your arrival easier, do your digital declaration before your flight back to New Zealand.

Head to travellerdeclaration.govt.nz today!

WORD Mountain Bike Camps

WORD, a youth mountain bike charity offering skill-building, confidence-boosting programmes for young people aged 7–17 across Wellington.

These holiday programmes provide a safe, structured, and highly supportive environment for young riders of all levels—ranging from first-time trail explorers to more advanced riders keen to develop their technical skills.

All details and registrations can be found at word.org.nz.
