Fencing and Gates

As you may have noticed, work is underway on our new fencing and gates. While we had hoped to have these completed before the term began, contractors will continue working over the weekends to wrap up the project as soon as possible.

We hope everyone enjoyed a restful break and is ready for another term packed with exciting learning and opportunities.

Drop off and Pick up

Please stay with your vehicle when parked in the drop off zone and move on quickly and carefully to reduce congestion. Please avoid making u-turns in front of the school and parking on yellow lines or the driveways.

Student Profile Update Forms

All tamariki have brought home a Student Profile Update form this week. **Please check, sign, and return this form to the school office by Monday 3rd August**, even if your details have not changed. Up-to-date contact information is vital so we can reach you quickly in an emergency or if your child falls ill.

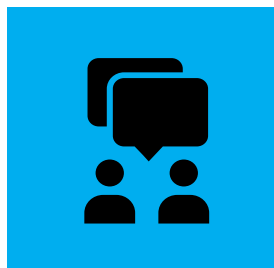

Keeping our student records accurate is essential for the safety and well-being of all children at school.

Why it matters: Correct phone numbers and addresses ensure we can contact you right away if an emergency happens.

What you need to do: Review the printed details on the form sent home with your child. **Action required:** Sign the form and send it back to the school office by **Monday 3rd August**. Please do this even if there are no changes to your information, so we know our records are fully up to date.

Learning Celebrations

Wednesday 2nd September- 3.15pm - 7.15pm
and
Thursday 3rd September - 3.15pm - 7.15pm

This is an opportunity for whānau, teachers and ākonga to come together to celebrate the learning and achievements that have been happening. It is a chance for your child to share what they have done and what they are proud of.

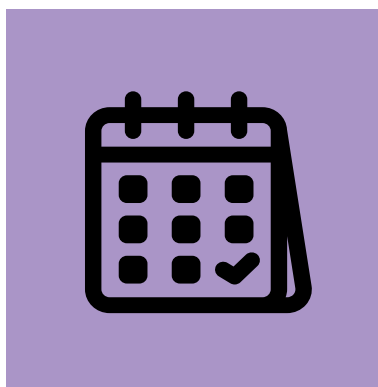

Bookings are made in the HERO app and we will notify you when the bookings open.

Frozen Pies & Savouries Fundraiser

We're raising funds to help install secure fencing around Churton Park School, creating a safer environment for our tamariki. Every purchase helps us get one step closer to achieving this goal.

This fundraiser is being run online through **Go Raise It**, making it quick and easy to participate—no paper order forms, cash handling, or door knocking.

How to get started:

- Visit <https://churtonparkpies.raiseit.co.nz/>
- Create your own fundraising page.
- Share your page with family, friends, neighbours, and workmates.
- Supporters order and pay online.
- At the end of the fundraiser, you'll collect the frozen products and distribute them to your supporters.

Ways to boost your fundraising:

- Share your page via email, text, or social media.
- Ask colleagues, sports teams, or community groups to support you.
- If friends or family live out of town, they can purchase products to donate to a local charity or someone in need.

Pie collection will be after school Wednesday 3rd September, near Room 4 (weather permitting). If it's raining, we'll organise a sheltered or indoor collection point.

IMPORTANT: As freezer space at school is extremely limited, we'd really appreciate it if everyone could collect their orders on 3rd September.

Thank you for supporting Churton Park School. Every order makes a difference and helps create a safer school for our tamariki.

The last day to place orders is Saturday, 16th August.

New Variable Speed Limit Signs

Have you noticed the new speed limit signs around the three school entrances?

Recently the Wellington City Council installed new variable speed limit signs outside schools in the Wellington region. This is part of Government's Land Transport Rule: Setting of Speed Limits 2024. These changes support safer travel for tamariki, whānau and the wider community during school travel times.

The updated variable speed limits are now in place and will apply during school pick-up and drop-off periods, as indicated on the signs. Wellington City Council will be working with NZ Police to enforce the updated speed limits within this zone. The new speed limits are now operating.

New World Club+

Clubcard is now Club+

To continue to support our school with fundraising for new goal posts for the field you will need to change your Clubcard to Club+ and complete a new permission form.

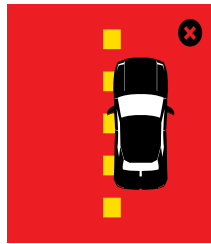

Once you have completed the permission form you will need to return it to school ready for loading.

See the office for permission forms or download a copy from Hero.

An easy way to raise funds for our school.

Keeping Our Streets Safe and Accessible

Every week we remind everyone about the traffic around our school gates, we ask you to observe the road rules & signs so we can keep our tamariki safe arriving at school and getting home. Every week we get emails & phone calls from parents & neighbours complaining about people leaving their cars or waiting too long in the drop-off zone, waiting or parking on yellow lines, performing u-turns and stopping their cars

in the middle of the road to pick-up or drop-off their children or parking over neighbours driveways. We have been in touch with the Council & Police and all three of our school entrances will be randomly monitored and infringement notices will be issued if you are not following the rules. We are sure that nobody wants to pay a fine or waste valuable resources - there is an easy way to avoid further action - let's all follow the rules!

Churton Drive

The area directly at the front of the school is a **Pick-Up / Drop-Off Zone**.

This means you can not park your car in this area from **8am - 9am & 2.45pm - 3.30pm, drivers must not leave the vehicle**.

If your child has not come out in the allotted time, please move off and let others pick up their children. By the time you have gone around the block your child will be there waiting for you. If you would like to park your car and go to your child's class to collect your child, please use the parking space on the opposite side of the road where there is a **5 minute parking area** or park

further up the road and walk back to school.

Please do not park or wait on yellow lines or over our neighbours driveways (or in their driveways without their permission)!

We are doing our best to take care of your children safely so please do not be offended if you are asked by staff or our road patrol parents to move your vehicle.

Cranwell Street & Dormar Place

Cranwell Street and Dormar Place are very narrow at the ends where the school gates are located. The council have painted yellow lines around the cul-de-sac and these have been there for several years now.

Yellow lines mean you cannot for any reason stop or wait in this area. When cars are stopped on the yellow lines waiting for children this stops children having a clear view of the road to cross safely, stops cars being able to turn without reversing and

stops cars being able to leave the area safely.

Please do not park or wait on the yellow lines or over driveways, and remember that you must park your vehicle 1 metre from the end of a driveway.

Stories from Lower Tōtara Ridge

LOWER TOTARA RIDGE

The Ocean

ONE OF OUR AREA
OF INTERESTS

Octopus have many ways to protect themselves from predators. Octopus protect themselves by shooting out thick, black ink. By protecting themselves they can lose an arm but it will grow back. Octopuses can camouflage from the environment to protect themselves. Octopuses are really wild. Brodie

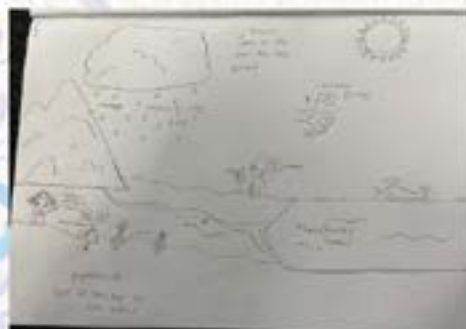

Waitī and Waitā (Matariki whetu) both represent water. Waitī is the star of salt water like the sparse sea and the ocean. In the ocean are sea creatures like wheke, kākahi and pūkeko. Katie

In the electric light of the visible blue.. Jellyfish hummed, Jellyfish swayed, Jellyfish sunk and stayed. Lara

Waves crashing on the beach. Enormous wind blows the windows. Crack, waves smash. A rock has been smashed. Crash! The waves smash. The wind dances. Smash! Archie

Waiti, freshwater starts at the clouds. When the clouds rain, Waiti is formed. From the tiny pond, it rolls down hill turning into a stream. From a stream, it might stop to a lake and then follows to Waitā, the saltwater ocean.
