Term 3. Week 8.

### Deputy Principal's Corner - te iwi tahi tatou - we are one family

#### Empowering Connected Lifelong Learners

**Kia ora, ni hao, malo e lelei, talofa lava, kia orana, namaste and greetings to everyone.**

I have been in class for the last 3 days and have loved seeing our learners really thinking about what they need to do to be successful in a task given to them. The children think about what resources they need, whether they would be successful working with others or on their own, and where would be the best place for them to work. This is all before they even begin the task. The school day is

a really busy one and as we head towards the end of the term it is no wonder that we have some tired little people. It is really important for the children to have some down time to relax after a busy school day and especially so towards the end of the term - time to read a book, play with a sibling, be out in nature, play a game with the whānau are all things that children can easily do.

## Board of Trustee Elections - Last Chance to Vote Today!

Voting in the Board of Trustees election is now open until Wednesday 3rd September 4pm.

All eligible voters were either emailed or if they requested, posted their voting information and candidate statements so you can learn about who you are voting for.

**Voting closes at 4 pm on election day. Posted votes must be received**

**by the returning officer no later than five days after the election date. Late votes cannot be counted.**

Every eligible voter should vote to ensure that the elected board represents the community and has a good mix of gender, ethnicity, skills and experiences. A board that reflects the diversity of your school can make a positive difference to your students' learning.

## Mathswell Competition - Well Done Team

On Tuesday 19th August, six Year 6s represented our school in the annual Mathswell competition. Mathswell is a mathematics competition run by the Wellington Maths Association. It is for students from Year 5 and 6 in primary school to Year 13 at college. The six people competing were Mayesha, Keiichi, Lucas, Angela, Dominic and Tessa. 44 primary schools from the greater Wellington region competed in 4 rounds, two problem solving and two multi-choice. Our team tried their very best and finished in the top 25% of entries. We are very proud of them for displaying our school values - particularly Pou Manarawoa (Resilience) and Ngahau (Fun). They did a great job representing our school and encouraging each other. A huge thank you to Dominic's Mum and Keiichi's

Dad for transporting the team to and from Victoria University. Tino pai koutou!

**Welcome  
to our new  
Ākonga**

## Lost Property

As we get to the end of the term we have a LARGE pile of lost property in the the box in the Hall foyer.

If your child has "misplaced" any clothing, please check the box before the end of the term.

Anything left will be donated to a local charity shop.

## Urgently Seeking Road Patrol Volunteers for Wednesday Afternoons!

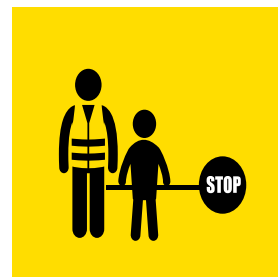

We're putting out an urgent call for parents to help with road patrol on Wednesday afternoons. Our dedicated team of volunteers is currently short-staffed, and we need your support to ensure the safety of our students crossing the road after school.

The road patrol plays a critical role in keeping our children safe. Without enough adult supervision, we run the risk of not being able to operate the patrol effectively, which puts our ākonga in a vulnerable position.

If you have some time to spare on Wednesdays, your help would make a huge difference. You'll be trained on everything you need to know, and the commitment is only for a short time from 2.50pm - 3.10pm.

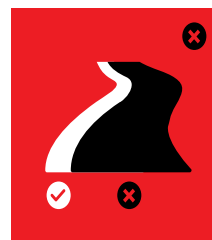

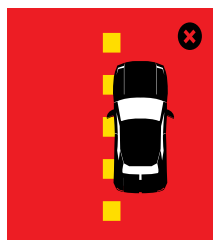

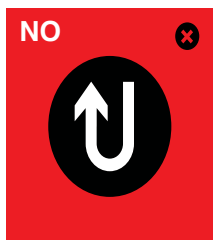

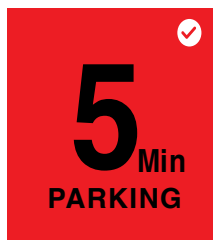

Please consider lending a hand. Your support is vital for keeping our school community safe. If you can help, please contact Liz McLean as soon as possible.

Thank you!

## Keeping Our Streets Safe and Accessible

We've heard from many residents in Cranwell Street and Dormar Place about a recurring issue that's causing significant frustration: illegal and inconsiderate parking. We know that school drop-off and pick-up times can be hectic, but we're seeing an increasing number of parents parking on yellow lines or blocking neighbors' driveways.

This isn't just an inconvenience;

it's a safety hazard. Parking on yellow lines obstructs the flow of traffic, making it dangerous for children and other pedestrians. Furthermore, when driveways are blocked, it can prevent residents from leaving their homes for essential appointments, work, or emergencies. This can be incredibly stressful and frustrating for your neighbours.

Please take a moment to consider the impact of your

parking choices. We ask for your cooperation in keeping our community safe and accessible for everyone. Please make sure you are not parking on yellow lines or blocking driveways. By parking responsibly, you'll help ensure a smooth and safe experience for all of us.

Thank you for your understanding and cooperation.

## Please remember to advise us of Absences

### Please keep us in the loop

This year we must report any absences to the Ministry of Education daily.

This means that if you do not tell us why your child is away they will be marked as truant.

If your child is going to be away from school for any reason - illness, appointments, travel, funerals etc - it is very important that you let the office know, so we can account for all our students.

The office will let the classroom teacher know your child is absent. Often teachers can be away sick or on

a course and do not have access to their emails.

If you receive a text from the school looking for your child, please respond. You are able to report an absence in several ways:

### Ways to report an Absence

## Is your child turning 5 in 2025, 2026 or 2027 ?

### Help us to plan ahead

To help with our planning for the rest of this year and next year please let the school office know if the following things apply to you:

- Live In-Zone and have a new entrant child who turns 5 in 2025 or 2026 and you are yet to pre-enrol with the school office
- If you live In-Zone but have a child attending another school but intend to enrol at Churton Park School in 2025 or 2026
- If you live Out-of-Zone with a child enrolled at Churton Park School and have a child turning 5 in 2026 or 2027
- If you have a friend, family member or neighbour that does not receive these newsletters but may fall into

one of the above categories, please ask them to contact the school as soon as possible by either dropping in to the office, by phone 04 478 4282, email [office@churtonpark.school.nz](mailto:office@churtonpark.school.nz) with their child's name, date of birth and your address or by completing an online enrolment form on our website [www.churtonpark.school.nz](http://www.churtonpark.school.nz) This information is crucial as we plan for the future.

## Stories from Lower Tōtara Ridge

### UPDATE FROM *Lower Tōtara Ridge*

In literacy, our class has been on a fascinating journey exploring the incredible biodiversity of New Zealand! We started by learning all about native birds and then connected their habitats to the country's unique trees—native, endemic, and introduced. This led us to investigate the incredible world of camouflage, focusing on New Zealand's insects like the tree wētā and Otago skinks.

Using our class texts, we worked on finding the main ideas and then crafted our own sentences. We've been practicing using new vocabulary from the readings and extending our thoughts with conjunctions like because, but, and so, which has really helped us express our ideas more clearly. We are becoming experts at sharing our ideas!

*The leaves on deciduous trees in winter fall on the ground but they grow back in the spring. – Liam*

*Camouflage is important because predators are hunting their prey, so the prey uses its shape, markings, and colourings to hide. – Ansley*

*Flax is not a tree because it does not have bark. – Luca*

*Kiwis can smell with their nostrils so they can find food at night. – Olivia*
