Empowering Connected Lifelong Learners

Kia ora te whānau

As we move into the final weeks of what has been a fantastic and busy year, I want to take a moment to acknowledge that people are tired at this time of year.

Our students are working hard to finish their learning goals, our staff are tirelessly managing transitions and reporting, and as parents and caregivers, you are navigating the end-of-year pressures at home and work.

This is the time of year when everyone's resilience can run a little low, and small challenges can feel like big hurdles.

With this in mind, I ask for two things from our wonderful community: patience and understanding.

Let's support each other to ensure we finish the year positively.

Jessie - Citizenship Award

A massive congratulations goes out to Jessie for being awarded the Citizenship Award for Churton Park at the ceremony last Friday. Jessie shows outstanding commitment to our school values and the wider community. We are very proud to celebrate this significant achievement with Jessie and her family. Well done, Jessie!

Farewells

As we approach the end of the year, we have some special farewells to make.

Claudia Bugaud is heading off on her OE at the end of the year. Claudia began her teaching journey with us in 2024 and we wish her safe travels.

Josh Seddon has been with us since Term 2, 2024. He is planning an incredible adventure, cycling the length of New Zealand over the summer before heading back home to the UK.

Jenny Brown has been a staff member of the CPS whānau since 2017. She has moved up the coast and is going to take some well-deserved time off from full-time teaching.

Lucy Smith started her career at CPS as a beginning teacher and is now ready for a new challenge at a different school. We fully support her decision to embrace new professional growth.

Emilia Carlson started our roll growth class at the beginning of Term 4. She will be spending the start of next year traveling around New Zealand before heading back to her native Canada.

We thank all of them for their significant contributions, dedication, and enthusiasm during their time at Churton Park School. We wish them all much success in their future endeavours!

Attendance

School attendance is a major focus for schools and the Ministry of Education currently. Here are some key messages I want to share with you:

- If students have one week off every term, over ten years they will miss a year of school.
- Being at school everyday matters because of the sequential nature of learning, especially in literacy and numeracy.
- By law, students **must** attend school and
- One of the highest predictors of education success is attendance levels at school.

Welcome
to our new
Ākonga

Sunhats

At Churton Park School we have a Sun Smart policy where all children must wear a sunhat when they are outside during Terms 1 & 4. We are noticing an increasing number of tamariki not wearing sunhats at morning tea & lunch times. We do our best to provide shaded areas for the children to play but the best protection is for them to wear a sunhat.

Please make sure your child has a school sunhat to wear during the day.

Sunhats can be purchased from NZ Uniforms Porirua or can be ordered online at <https://churtonpark.nzuniforms.com/catalog/uniform-1107113.htm>

Calendar Orders - Date Extended to 28th November

Our tamariki created beautiful artwork in Term 3, and it's now ready to be made into unique keepsakes — just in time for Christmas!

You can order your child's artwork printed on a range of products, including:

Calendars – \$16
Cards – \$16
Diaries – \$19
Mouse Mats – \$17
Sketch Pads – \$17

and friends, while also supporting our school's fundraising efforts.

Order online by 11:59pm, Wednesday 28th November.

Thank you for supporting the Home and School Association in raising funds for our school. Every order helps us provide the best resources and opportunities for our tamariki! If you would like to see some samples of the products before making an order, you can visit the school office.

Seeking Road Patrol Volunteers for 2026!

We're putting out an urgent call for parents to help with road patrol on Wednesday afternoons. Our dedicated team of volunteers is currently short-staffed, and we need your support to ensure the safety of our students crossing the road after school. We are also starting to look for volunteers for next year to help our road patrollers.

The road patrol plays a critical role in keeping our children safe. Without enough adult supervision, we run the risk of not being able to operate the patrol effectively, which puts our ākonga in a vulnerable position.

If you have some time to spare your help would make a huge difference. You'll be trained on everything you need to know, and the commitment is only for a short time from 2.50pm - 3.10pm.

Please consider lending a hand. Your support is vital for keeping our school community safe. If you can help, please contact Liz McLean as soon as possible.

Thank you!

Keeping Our Streets Safe and Accessible

The area outside the school on Churton Drive is a Drop-off and Pick-up zone only from 8am - 9am and 2.30pm - 3.30pm. This means you are not allowed to park and leave your vehicle during this time. If the zone is full please do not wait in the middle of the road with your indicator on as this blocks other traffic and causes more frustration. Please drive farther up the road and park or go around the block and try again. We all want to keep our streets safe for everyone.

We've heard from many residents in Cranwell Street and Dormar Place about a recurring issue that's causing significant frustration: illegal and inconsiderate parking. We know that school drop-off and pick-up times can be hectic, but we're seeing an increasing number of parents parking on yellow lines or blocking neighbors' driveways.

This isn't just an inconvenience;

it's a safety hazard. Parking on yellow lines obstructs the flow of traffic, making it dangerous for children and other pedestrians. Furthermore, when driveways are blocked, it can prevent residents from leaving their homes for essential appointments, work, or emergencies. This can be incredibly stressful and frustrating for your neighbours.

Please take a moment to consider the impact of your

parking choices. We ask for your cooperation in keeping our community safe and accessible for everyone. Please make sure you are not parking on yellow lines or blocking driveways. By parking responsibly, you'll help ensure a smooth and safe experience for all of us.

Thank you for your understanding and cooperation.

Sunhats, T-Shirts & Hoodies

As part of our Sunsmart policy all children at Churton Park School are required to wear a sunhat when they are outside during Terms 1 & 4.

Order your items now

Sunhats can be purchased from NZ Uniforms either online or at their Porirua shop. Please make sure you have a school sunhat for your child. If your child has the old style sunhat they can continue to wear them but if your child still needs a school sunhat, please make sure you have purchased one as soon as possible. Sunhats, T-shirts & Hoodies can be purchased using this link <https://churtonpark.nzuniforms.com/catalog/uniform-1107113.htm>

Please remember to advise us of Absences

Please keep us in the loop

This year we must report any absences to the Ministry of Education daily.

This means that if you do not tell us why your child is away they will be marked as truant.

If your child is going to be away from school for any reason - illness, appointments, travel, funerals etc - it is very important that you let the office know, so we can account for all our students.

The office will let the classroom teacher know your child is absent. Often teachers can be away sick or on

a course and do not have access to their emails.

If you receive a text from the school looking for your child, please respond. You are able to report an absence in several ways:

Is your child turning 5 in 2026 or 2027?

Help us to plan ahead

To help with our planning for the rest of this year and next year please let the school office know if the following things apply to you:

- Live In-Zone and have a new entrant child who turns 5 in 2026 and you are yet to pre-enrol with the school office
- If you live In-Zone but have a child attending another school but intend to enrol at Churton Park School in 2025 or 2026
- If you live Out-of-Zone with a child enrolled at Churton Park School and have a child turning 5 in 2026 or 2027
- If you have a friend, family member or neighbour that does not receive these newsletters but may fall into one of the above categories,

please ask them to contact the school as soon as possible by either dropping in to the office, by phone 04 478 4282, email office@churtonpark.school.nz with their child's name, date of birth and your address or by completing an online enrolment form on our website www.churtonpark.school.nz This information is crucial as we plan for the future.

Pukehuia

What has Pukehuia been up to?

In our literacy programme we have learnt about Dame Whina Cooper and her role in the 1975 Land March. We read about her early life in the far north and about the bronze statue that was made in memory of her leading the march with her 3 year old granddaughter. In Term 3, Uru completed some wonderful art projects and recently the Year 5s had their overnight stay at Wellington Zoo.
