

Our School Donations

for **Churton Park School**

Please help us to be fully resourced

Like many schools in NZ, Churton Park School relies on donations as they make a significant difference to the delivery of our learning programmes. They enable us to provide resources that are not covered by our state funding. The Ministry of Education has removed the decile system and replaced it with a new funding system, as a result, we receive less government funding per child than some other schools.

Donations overview

- Your voluntary donation will help the Board maintain class sizes, and Learning Assistants to support classroom programmes; and also to assist our property maintenance, IT equipment & new classroom furniture.
- While donations are voluntary, we absolutely rely on them and we greatly appreciate your financial support every year.
- Receipts will be issued for donations. Please keep these in a safe place as tax rebates can be claimed from the New Zealand government, Inland Revenue Department.
- Our Board of Trustees meet regularly and have a clear overview of our investments within CPS and has set the school donation rates for year 2024 as follows below:

One Child

\$240.00

Two Kids

\$400.00

Three Plus Kids

\$490.00
