

Churton Park School Donations

Like many schools in New Zealand, Churton Park School relies on donations as they make a significant difference to the delivery of our learning programmes. They enable us to provide resources that are not covered by our state funding. As a Decile10 school we receive less government funding per child than lower decile schools.

Your voluntary donations will help the Board maintain our class sizes, and Learning Assistants to support classroom programmes; and also to assist our building initiatives.

While donations are voluntary, we do rely on them and we greatly appreciate your financial support.

Receipts will be issued for donations. Please keep these in a safe place as tax rebates can be claimed from the Inland Revenue Department.

The Board of Trustees has set the school donation rates for 2021 as follow:

One child	\$200
Two children	\$350
Three or more children	\$450
