Newsletter No. 38

Term 4 Week 8

29<sup>th</sup> November 2023

### Deputy Principal's Corner – te iwi tahi tatou – we are one family...

So hard to believe that it is almost December!!! The weather can't decide what season it is but we know here at school that the countdown is now on and as usual much has to be done before the end of the school year.

We continue to provide excellent learning opportunities for our students whilst acknowledging the excitement the end of another year brings. It also means teachers are planning ahead for 2024 as well so it is a busy time.

A time perhaps to reflect on our successes:

- Staff have been working on localising our curriculum as well as incorporating the New Zealand Curriculum Refresh into our programmes
- We have begun incorporating aspects of the Aotearoa New Zealand Histories Curriculum including stories from our past making positive links with local iwi
- Year 5/6 students showcased their Production by designing Hats with idioms
- Year 3/4 students presented a Production around our New Zealand History
- Year 6 Camp at Camp Makahika successfully ran in Levin
- Year 5 students stayed overnight at Wellington Zoo
- Kenepuru Stream and Ponga Grove took a trip to Te Papa
- We had wonderful representation and success by our athletes at Swimming, Cross Country and Athletics competitions - even to the Regional level
- Provided a very successful gymnastics programme for all our students
- Enjoyed success at Mathswell, Otago Problem Solving and our Kiwi Competitions and Maths Whizz
- With the help of parents and our Road Patrols endeavoured to keep our crossing safe for everyone
- Very successful netball season for all players/coaches/managers
- We continued to add to our library resources and positive library use culture thanks to Hue
- We welcomed International students from China, Saudi Arabia and Japan
- We have had wonderful parental support for our Learning Celebrations, transport to and from events, coaching/managing sports teams, attending camps and overnights, our BOT members and HSA committee, Year 3/4 sharing of their Bird Inquiries.
- We have welcomed our Mandarin Learning Assistant Liping Lyu who has provided language lessons for all students in our school
- Continued to support our English Language learners so that they can access our curriculum even if English is not their first language
- Provided Leadership Opportunities for our Senior Students
- We have begun to look at opportunities for designing our outdoor environment and gardens
- We are rebranding our school signage, documents, logo etc
- Our Learning Assistants have continued to support our teachers and students to deliver quality instruction and opportunities for all
- Our office administration team have continued to provide friendly, helpful and timely support to our school community

Wow, what a year. Time now for me to wish you and your family a very Happy Christmas and relaxing time together. Have a great start to 2024.

### Driveway Safety

Recently we have had several occasions where parents have driven up the driveway at the beginning and end of the day to collect or drop off their children. Please do not drive up the driveway. We know that it is often hard to find a parking space close to the school, but the driveway is a very busy place and we put the safety of all our tamariki first.

Another concern we have relates to cars driving around the bollards after school to collect children from Kelly Club. This is a major safety risk to all users of the school grounds, especially if the vehicle is electric, as children & adults do not always hear the vehicle. We are currently looking into a solution to this issue and appreciate your help in not endangering our ākonga.

This week we farewell Liping Lyu our Mandarin Learning Assistant as she finishes her year teaching in our school. We have enjoyed learning Mandarin and about Chinese culture. We know Liping has thoroughly enjoyed her time at our school. She has taken up many New Zealand experiences - camping, tramping, skydiving, sleeping at the Zoo, travelling and road trips around NZ. We wish her a safe trip home and thank her for all she has contributed to our school.

## Interzone Athletics Results

Last week a group of students represented CPS and Northern Zone at the Inter Zone Athletics event at Newtown Park. We are delighted to say that four of our students have qualified to represent the Wellington Zone at the Regional Athletics event at Newtown Park on 5 December. Read books, explore the city, win prizes! The Wellington Public Library Summer Reading Adventure runs from 1 December 2023 — 31 January 2024, and this year we are inviting intrepid explorers of word and page of all ages to join us — children, teens, and adults!

# YEAR 5 ZOO SLEEPOVER

Earlier in the term, the Year 5s stayed the night at Wellington Zoo. It was such a cool experience to have the Zoo to all ourselves at night. We went out for night tour and we got to see so many animals that some people never got to see or that are nocturnal like the Tasmanian Devil. A crowd favourite with the snow leopards, Asha and Manju. We got right up close and fed the giraffes. One of them called Zuri is having a baby! As we walked past we saw the Dingo, lemurs and lions which was incredible because that was the first time getting to see these animals that are often hidden during the day. It was amazing! After the night tour, we had supper, talked to our friends and we went to bed.

In the morning we headed out for another private tour of the Zoo. We saw the chimpanzees eating corn for breakfast, it was the baby chimp Kitwe's 2nd Birthday. We also went to Hero HQ where some interesting animals were kept; for example, the legless lizard that looked very similar to a snake. We also saw the 2 lions and tiger feeding and the sun bear Sasa basking in the sun. We loved watching the meerkats eating bark together while 1 meerkat was the sentry (guard) for the group. In the giraffe enclosure there were also nyalas and ostriches, the ostriches were pecking at the fence and apparently were trying to eat something or were curious about us. After our tour, we split into small groups and got to explore the Zoo. We each went to our top trump animals and drew a sketch of their enclosure and marked what the animals were doing for 2 - 3 minutes.

Prior to the trip we all had researched an animal and created a detailed scientific drawing of our assigned animal. We also learnt about classifying animal based on whether or not they were a vertebrate (have a spine) or invertebrate (no spine). We used our animal research and observations from the Zoo to complete our main task was making a top trump card back at school. Each person made a top trump card at then were made into a complete set of cards that we got to play at school.
